2018–19 REFEREE’S CHECKLIST

1. Introductions - coaches, captains and officials (roles of officials).
2. Determine if any swimmers with disabilities will be competing. Ask if any swimmer has a doctor’s note (MD or DO, only) or a letter for an accommodation from the PIAA.
3. Lane assignments, visiting team has the choice.
4. Explain starting procedure – one long whistle will call the swimmers to the blocks and referee or starter shall say, “step up” or “step in.” Make sure all parties know if using a referee and starter or one person assuming both roles. The referee and starter shall be on opposite sides of the pool, at the starting end for all starts and relay take-offs. Explain when wedges/fins can be adjusted, if part of starting blocks. If Electronic Relay Judging Equipment is being used, explain protocol and how it is used.
5. Explain how swimmers will be checked onto the blocks. Make sure procedure is clear to all parties, especially the visiting team.
6. Swimmers should be prompt in reporting to the blocks, quiet during the starts and counters ready and in place for the 500. Count may be to next higher or lower number, it’s the swimmer’s choice. One counter per lane.
7. If no separate warm down area, explain how warm down for the 500 Free is conducted. Two lengths of the pool shall be permitted at the conclusion.
8. Entry procedure – lane cards, meet manager print-outs, etc. Have both coaches sign back of scoresheet. Explain procedure for line-up changes, by coaches, during meet.
9. Non-swim school swimmers. The “timing” may occur during the official event if there is an open lane, it may occur prior to the first event, in between events, or immediately following the last event. The referee shall determine when these swims will occur. The entry card (filled out, and signed by swimmer and coach) is to be signed by the referee certifying the time after completion of event. Divers dive during the official event only. No relay teams permitted. A letter from the school’s principal or AD, on school letterhead, must be shown to the referee that states the name of the person accompanying the swimmer/diver.
10. First week or two of the season, explain any new rules.
11. Have coaches confirm to the referee that all contestants are in legal suits and in compliance with the jewelry rule. Reminder, jewelry shall not to be worn during warm-ups. Remind coaches that female swimmers/divers are not allowed to pull swimsuits’ straps past shoulders unless wearing a drag suit over the competition suit. Bikini tops, halters or sports bras are NOT permitted.
12. Finishes - swimmer must contact touch pad or end wall between the lane lines where the touch pad should be located. Scoreboard is unofficial.
14. Explain how violations of individual entry limitations will be monitored. (4 total events per swimmer - no more than 2 individual events).
