**SUSPENDED GAME**

Any PIAA Soccer Championships game interrupted due to events beyond the control of the Tournament Director, such as inclement weather, shall be continued from the point of suspension at a later time during the day of competition or the next playable day unless the head referee declares it an official game because one (1) complete half or more of the game has been played and one (1) team has scored the greater number of goals.

**TIE-BREAKING**

The procedure for determining a winner when a soccer Contest that is being played in order to advance a Team during a Regular Season Tournament, or to advance to the Postseason or during a Postseason Contest which ends regulation play with the score tied shall be as follows:

When the score is tied at the end of regulation time, the referee will instruct both Teams to return to their respective Team boxes. There will be five minutes during which both Teams may confer with their Coaches and the head referee will instruct both Teams as to proper procedure.

1. There shall be no more than two “sudden victory” overtime periods not to exceed **twenty minutes each:**
   a. A coin toss shall be held as in NFHS Soccer Rule 5-2-2(d).
   b. At the end of the first twenty-minute “sudden victory” overtime period, Teams shall change ends.
   c. There shall be a two-minute interval between periods.
2. If the score still remains tied, all Coaches, officials, and Team captains shall assemble at the halfway line to review the procedure as outlined below:

   a. The head referee shall choose the goal at which all of the kicks from the penalty mark shall be taken.
   b. Each Coach will select any five players, including the goalkeeper, on or off the field (except those who may have been disqualified) to take the kicks.
   c. A coin toss shall be held as in NFHS Soccer Rule 5-2-2(d). The Team winning the toss shall have the choice of kicking first or second.
   d. Teams will alternate kickers. There is no follow-up on the kick.
   e. The defending Team may change the goalkeeper prior to each penalty kick.
   f. Following five kicks for each Team, the Team scoring on the greatest number of these kicks shall be declared the winner.
   g. Add one goal to the winning Team score and credit the Team with a victory. An asterisk (*) shall be placed by the Team advancing to indicate the advancement was the result of the tie-breaker system.

3. If the score remains tied after each Team has had five kicks:

   a. Each Coach will select five different players than the first five who already have kicked to take the kicks in a sudden-victory situation, wherein if one Team scores and the other Team does not score, the Contest is ended without more kicks being taken. If a Team has fewer than ten available players at the end of the first set of kicks from the penalty mark due to either injuries or disqualification, the Coach must use all players who have not participated in the first five kicks. The Coach may choose additional players from the first five kickers to ensure that five different players participate in the second set of kicks.
   b. If the score remains tied, continue the sudden-victory kicks with the Coach selecting any five players to take the next set of alternating kicks. If a tie still remains, repeat 3-a.

4. During all tie-breaker penalty kicks, the ball remains alive until its momentum is spent, it goes out-of-bounds, or it is retouched by the kicker.

5. Unless participating in the kicks as a kicker or goalkeeper, Team members, Coaches, and other bench personnel shall remain in the Team and Coaching area of the respective Teams.
