OVERTIME
Several questions have come up regarding overtime when it’s mandatory for the 2x10 minute sudden victory overtime periods to be played. All contests involving a PIAA member school are played by NFHS rules with PIAA adoptions and modifications. Senior high school varsity soccer Regular Season Contests which are tied at the end of 80 minutes of play shall be resolved by playing two "sudden victory" overtime periods of ten minutes each; (overtime periods may not be shortened by mutual consent).

RULE CHANGE SUGGESTIONS
Changes to the Goal Kick this year and the three potential results when the ball strikes an official have prompted many discussions at chapter meetings this fall. If you have ideas on how to improve upon the changes the link to improve these rules and/or others is now open. If you have suggestions for changes to the soccer playing rules you must complete all of the information found at the following link: https://www.nfhs.org/RuleChangeProposal. Please be sure to state the rationale for the change, the EXACT wording for the rule change, and all of the other rules that are impacted by the requested change. Pat Gebhart and Statewide Interpreter Dr. Stan Latta will review the suggested changes and make a decision regarding which changes to forward to the NFHS for their consideration.

SUPPLEMENTAL DISQUALIFICATION
Please review the Supplemental Disqualification found here: Supplemental Disqualification PowerPoint. Please note that failure to notify the head coach or offender’s administration immediately of the Supplemental Disqualification does not waive its issuance. They are not required to be notified for it to be valid.
