PIAA SUB-VARSITY FOOTBALL RULES MODIFICATIONS
(JUNIOR VARSITY OR JUNIOR HIGH/MIDDLE SCHOOL)

The purpose of this modification for sub-varsity level contests is to create opportunities for student-athletes to participate in a modified contest or controlled scrimmage setting. The modifications permit contests to be played with kicking modifications or plays from scrimmage (10 and 10), and allow some flexibility for coaches to have a less formal structure than an event contested under NFHS Football Rules. PIAA views this as a true learning and teaching opportunity at the sub-varsity level.

Mutual agreement to use the following NFHS kicking rules deviations or scrimmage opportunity at the sub-varsity level is required of the participating schools prior to the event. Failure of mutual agreement prior to the event results in the contest being played under NFHS rules. If modifications are agreed upon for the kicking game modifications outlined below, they apply to both kickoffs and punts. Once an option is selected it cannot be modified during the game for any reason. It is recommended that these modifications be discussed and agreed upon by Athletic Directors and coaches well before game time, preferably in the week leading up to the game, and shared with the registered officials in advance of the event.

At the sub-varsity level in the sport of football, a team may participate in a maximum number of 2 scrimmages and 10 Contests, or a combination of 12 Scrimmages and/or Contests.

Administration:

At the sub-varsity level, schools may mutually agree to hold an athletic event under the following three (3) conditions:
1. Play the event pursuant to NFHS Football Rules;
2. Play the event pursuant to NFHS Football Rules and agree to utilize the kicking game modifications below; or
3. Play the contest as a scrimmage utilizing the scrimmage modifications detailed below.

Regardless of the method determined to play the event, PIAA-Registered officials must be present to conduct the event during the defined-regular season. Assigning of officials and payment of officials fees are to be agreed upon by the school and/or league and the registered official.

Any Coach and/or contestant who, while Coaching or competing for a PIAA member school during the defined Regular Season dates for football, is disqualified for unsportsmanlike conduct or flagrant misconduct, shall be subject to the disqualification provisions under Article XIII Penalties, Section 8, of the PIAA By-Laws.
