REQUEST FOR UNIFORM MODIFICATION INFORMATION

The PIAA Board of Directors has received many inquiries regarding the officials' uniform and how it can be modified to recognize October as Breast Cancer Awareness Month. In response, the PIAA has authorized all officials to use pink whistles during the month of October in a continuing effort to bring attention to this illness. No other modifications to the officials' uniform are permitted.

Schools wishing to modify equipment or uniforms for Cancer Awareness contests must request authorization from the PIAA prior to making any changes in this regard.
