Kristy Henritz, Head Coach, Northampton Area High School
Brandon Hibbler, NCAA & PIAA Softball Umpire
Frank Lupin, Exercise Science; Coordinated Health
Jim Corpora, NCAA & PIAA Softball Umpire

- This clinic represents an excellent way to prepare for the 2020 softball season.
- We take great pride in being a 'teaching clinic.' The transcending concept is for every umpire to learn something which will assist them in their umpiring career.
- The clinic agenda will consist of video, various presentations and 'situational' on-field work with the Parkland High School Softball Team.
- For additional information, please visit the LVSUA Website @ <https://www.leaguelineup.com/welcome.asp?url=lvsoftballump>

We hope to see you on Saturday, February 22nd @ Parkland High School! Umpires will receive credit for a meeting attendance if they stay for the entirety of the clinic.

Dress is casual. Please do bring your Indicator and Plate Brush.
