

PRESS RELEASE – AUGUST 6, 2020 – MECHANICSBURG, PA

Today, Governor Wolf issued a statement of strongly recommending no interscholastic and recreational sports until January 1st. We are tremendously disappointed in this decision. Our member schools have worked diligently to develop health and safety plans to allow students the safe return to interscholastic athletics.

The PIAA Board of Directors will meet tomorrow afternoon, Friday, August 7, 2020, to review this action. PIAA will have an official statement tomorrow afternoon.

Thank you.
