

Boys and Girls Volleyball Coaches Award

Mechanicsburg PA – The PIAA (Pennsylvania Interscholastic Athletic Association) in partnership with ASICS/BSN Sports awarded the first annual ASICS/BSN Boys & Girls Volleyball Coaches Awards earlier this month in conjunction with the PIAA Boys Volleyball State Championships. These coaches were nominated by their peers and selected by their merits in community involvement, dedication to their school, coaching philosophy, integrity, and leadership.

The PIAA is proud to announce Trinity High School Girls Volleyball Coach John Barrick and Moon Area Boys Volleyball Coach Steve Nicola as the winners of this inaugural award.

Each award winner was presented a plaque along with ASICS gear including a travel jacket, pants, a quarter zip jacket, shorts, long sleeve tee, sneakers, a polo shirt, hoodie, joggers, and six pair of socks.

The PIAA thanks ASICS/BSN Sports for its continued support of our student-athletes, coaches, and member schools. For member schools looking to order team gear for the 2021-22 school year please contact Sr. Account Executive George Kline at george.kline@asics.com or 1-610-390-5146.
