To get your players, coaches, cheerleaders, band members, and fans "seen" on the "PIAA Scene," use the hashtag #PIAAScene. Along with your post, please leave a brief description of the play, milestone or achievement. We're looking to highlight the positive stories that happen throughout the season in interscholastic athletics across the commonwealth.

By tagging #PIAAScene on social, you're allowing the PIAA to share your videos on PIAA platforms, i.e. website and social media. This is the second school year for this initiative.
