Digital Scoreboards LLC Becomes Official LED Display Partner of PIAA

Mechanicsburg, PA – The Pennsylvania Interscholastic Athletic Association (PIAA) has signed a corporate partnership agreement with Digital Scoreboards LLC through the 2027 – 28 school year, making them the Official LED Display Partner of the state association. Through this partnership, Digital Scoreboards will provide a 16' wide by 9' tall mobile videoboard for PIAA's use at nine championship events each year. These events may include Individual Golf, Cross Country, Soccer, Football, Team Wrestling, Individual Wrestling, Swimming & Diving and Track & Field. This board may be used for live scoring, simulcasts, in game entertainment, or commercial use.

"The PIAA is excited to begin this partnership with Digital Scoreboards to enhance the overall championship experience for our student-athletes, coaches and fans," said PIAA Executive Director Dr. Robert Lombardi.

As part of the new partnership, the PIAA will promote Digital Scoreboards curriculum program to its member schools. This program equips students with real-world skills, teaching them to create sports media, dynamic graphics, and real-time integrations using these professional tools.

"We are honored to partner with an organization as respected as the PIAA," said Bob Steckel, President of Digital Scoreboards and former superintendent and educator in Pennsylvania. "This partnership allows us to provide technology that, not only, enhances athletic events, but also helps schools foster community spirit, celebrate student achievement, and engage fans in new ways."

About Digital Scoreboards

Digital Scoreboards is a leading provider of sports displays to high schools and colleges nationwide. Committed to our customers and providing them with unique solutions, we offer innovative financing options, industry-leading warranties, and around-the-clock customer service because it's not just a scoreboard, but an investment in your school's athletic program and school community at large for years to come.

About PIAA

Beginning in Pittsburgh, on December 29, 1913, PIAA was given the privilege of serving its member schools and registered officials by establishing policies and adopting contest rules that emphasize the educational values of interscholastic athletics, promote safe and sportsmanlike competition and provide uniform standards for all interscholastic levels of competition.
