to allow students of vocational technical schools to participate
in athletics at their home district if the vocational school does not
sponsor the sport(s); | Mr. Byers |

Section 5. Alternative School Students, Magnet School Students, and Technology School Students.

Alternative School students, Magnet School students, and Technology School students are eligible at only one school for all interscholastic athletics. A student attending an Alternative School, a Magnet School, or a Technology School on a full-time basis is eligible only at said school if said school offers one or more interscholastic athletic programs. A part-time Alternative School student attending a full-time Alternative School, a part-time Magnet School student attending a full-time Magnet School, and a part-time Technology School student attending a full-time Technology School is eligible only at the school which the student would otherwise attend by virtue of the student's residence. All students attending Alternative Schools, Magnet Schools, or Technology Schools, which do not offer any interscholastic athletic programs, are eligible to participate in interscholastic athletics at the schools that the students would otherwise attend by virtue of their residences. In accommodating participation by students enrolled

in an Alternative School students, Magnet School students, and Technology School for sports not sponsored by their school, the following provisions apply:

A.) Schools are encouraged to enter into a Cooperative Sponsorship Agreement with another PIAA-Member school, as detailed under Article III, Section 10. A Cooperative Sponsorship Agreement will afford all students enrolled in the school the opportunity to participate as part of the Agreement; or

B.) Absent a Cooperative Sponsorship Agreement, students enrolled in an Alternative School students, Magnet School students, and Technology School that does not offer a particular interscholastic sport(s) are eligible to participate in that sport(s) at the school which they would otherwise attend, in the public school district of their residences, provided that the students meet all other eligibility requirements, including, but not limited to , school verified evidence of full-time attendance, enrollment and completion of the CIPPE.

2. On a **second reading basis**, the amendment to the definition of Open Gym in the Glossary:
