2026 Milan Cortina Winter Olympians with ties to Pennsylvania

8 athletes from PA are set to compete at the 2026 Milan Games

MECHANICSBURG, PA – As the countdown to the 2026 Milan Cortina Winter Olympic Games continues to near closer to the opening ceremonies on Friday, February 6, 2026, Pennsylvania is represented well across various sports. Six former Pennsylvania Interscholastic Athletic Association, Inc. (PIAA) student-athletes from member schools are among the record 234 Olympians representing Team USA. They are set to compete on the world's biggest stage, representing the United States of America. Although each Olympic dream or vision may have come at different times of their lives, these athletes' abilities are developed at the junior high and high school levels.

Please join us in congratulating and recognizing the achievements of these outstanding individuals. Being selected and participating on an Olympic team is one of the most outstanding achievements an athlete can achieve. On behalf of all our 1,440 member schools and 350,000 student-athletes strong, the PIAA wishes you the best of luck and much success. USA proud!!
